This is youth hockey where dreams of future glory are born. Hockey, Hockey! introduces young readers to this wonderful game on ice. The book's lyrical words and colorful, vibrant, real-life illustrations capture the environment of the rink, complete with local logos, while also highlighting a young player's dedication and excitement playing the game. The author, Ashley Brennan, with her heartfelt rhyming verse, and the illustrator, Elaine Felos Ostrander, with her bold portraits of skaters in action, both portray the youth hockey scene from firsthand knowledge, because each of them is a parent or grandparent of current youth hockey players.
